

The Bucket Set KIT consists of a SKP grading bucket, a SKD general bucket and a SKK cable bucket. The single buckets are ideal for the use with a tiltrotator due to their design.

- ▷ **Low self-weight.**
- ▷ **Different adapters** available.
- ▷ **Bucket Set with adapter system L-Lock, Oilquick or Verachtert** available without surcharge.
- ▷ **Durable** due to robust construction and use of highly resistant wearout steel 400HB.
